

Riley Fisher

Chicago, IL | (708) 400-6078 | rileyfishx@gmail.com | [LinkedIn](#)

Results driven analyst focusing on gaining experience as a data scientist. Through my prior experiences working in customer service, managing data and documenting, I have a strong foundation to build upon. Self-driven, I've taught myself SQL and Power BI and I take great pride in providing the best work I can.

EDUCATION

Indiana University Bloomington

Bachelor of Arts in Psychology

Aug. 2020 – May. 2024

Bloomington, IN

• **Overall GPA:** 3.4

• **Relevant Coursework:** Statistical Techniques, Finite Mathematics, Social Psychology and Individual Differences

WORK EXPERIENCE

Loyola University Chicago

Graduate Research Assistant – Center for Criminal Justice

Aug. 2025 – Present

Chicago, IL

- Multi-year research study tracks the implementation and impact of the Illinois Pretrial Fairness Act (PFA).
- Contributing to our criminal justice database using Power BI, graphing overall crime, prison data, court filings, and felony reviews from 2018 to today.
- Research helps influence decisions made by statewide law enforcement and jurisdictions, as well as raise national awareness to the issue of cash bail.

Marquette University

Research Assistant – Translational Affective Neuroscience Lab

Jul. 2024 – May. 2025

Milwaukee, WI

- Study involved understanding neurological function in trauma-exposed participants compared to PTSD. Using MRIs, we found correlations and differences between the two.
- Learned how to write scripts in R and SQL to manage a database of 1,000 possible participants.
- Various scientific articles have been published from this study. These have been used to educate fellow researchers and the wider public about trauma and PTSD.
- Submitted written and oral reports of findings to the principal investigator and fellow research associates.

Legends

Merchandise Associate

Oct. 2022 – May. 2024

Bloomington, IN

- Managed inventory for Indiana University's athletic merchandise. Worked in pop-up shops across various sports including basketball, football, baseball, volleyball, and wrestling.
- Part of a team that helped to accumulate over \$500,000 in sales.
- Represented the company by helping answer customer questions, addressing issues, and bringing a welcoming environment to every game.

Hephzibah Children's Association

Digital Marketing Intern

Jun. 2023 – Aug. 2023

Oak Park, IL

- Created and distributed surveys to long-term employees, who reflected on their experience working at the organization. Topics ranged from relationships with coworkers to the impact of helping children.
- This data was used to estimate employee satisfaction and predict overall turnover rates.
- Edited photos and videos for Hephzibah's social media pages.

SKILLS

-
- **Technical Skills:** SQL, Power BI, Tableau, ArcGIS Pro, Data Entry, Microsoft Office, Salesforce
